August 2022- May 2024

UGA Miracle, Athens, GA - *Volunteer, Hospital Relations Committee*

Attended weekly meetings where I prepared presentations and spoke on weekly objectives. Served on Hospital Relations Committee where decisions were made to decide where fundraising would go within the hospital. Weekend on site volunteer at the Children's Hospital of Atlanta (CHOA), organized events for pediatric patients and their families to bridge the UGA Miracle Program and the CHOA families. Created a campaign for my personal network to raise over \$500 annually for the program. My experiences at the hospital and with this organization truly put the gift of life into perspective for me, and I am so grateful that I got to give back to the children that ended up giving so much to me.

August 2022- Present

Pi Beta Phi, Athens, GA - Georgia Alpha Chapter Active Member

Attend alumni events and professional programs, as well as volunteering regularly as a librarian's assistant and classroom reader. Tutor and mentor to younger women in my chapter since Fall 2023. Approved to volunteer directly with 40 children as a reading buddy at Bettye Henderson Holston Elementary School, sub-3-star rating in reading, but showing significant improvement in recent years.

October 2023- June 2024

The Clayton Social Bar, Athens, GA - Bartender + Manager

Promoted to larger bar, the Clayton Social. In addition to the same bartending tasks carried out at Bourbon Street bar, I was trusted to open and close the bar, oversaw and organized cleaning for the shift, and managed group events of up to 650 people. Also ran social media promoting daily deals and managing bar tab requests, go-to problem solver, dealing with safety concerns and emergencies both health and otherwise. Fostered a supportive, fun and productive work environment.

August 2022- October 2023

Bourbon Street Bar, Athens, GA - Bartender

I worked at one of the most popular bars in Athens serving customers. I learned over 50 drink recipes and how to work effectively in a tight, loud and chaotic environment, problem solving, and multitasking. I learned the importance of keeping an organized working environment as well as the impact of a good culture and attitude.
